

CORPORATE PARTNERSHIP PROGRAM

THROUGH THE POWER OF DESIGN, DESIGNS FOR DIGNITY (D4D) has created healing spaces for more than 150 facilities managed by our nonprofit partners in the greater Chicago area over the past decade. We have redeployed thousands of material donations, furnishings and finishes. More importantly, **WE HAVE IMPACTED THE LIVES OF THE MORE THAN 100,000 INDIVIDUALS** served by our nonprofit partners.

Community-minded corporate partners like you help to ensure that D4D will continue it's life changing mission: EMPOWERING LIVES THROUGH DESIGN. We invite you to join with us and become a D4D corporate partner. Please review the opportunities below.

Simply select the level that best fits your company and complete the form below. A member of DESIGNS FOR DIGNITY will coordinate your payment details. We would be most privileged—and grateful—to include you as part of the D4D community of dedicated supporters, ambassadors and advocates.
